

Grant Title: INTERVENTIONS AND PRACTICE RESEARCH INFRASTRUCTURE PROGRAM

Funding Opportunity Number: PAR-06-441. CFDA Number(s): 93.242.

Agency/Department: National Institutes of Health, National Institute of Mental Health (NIMH).

Area of Research: Research partnerships between mental health researchers and community-based, clinical/services staff, clinicians and patients/clients.

Release and Expiration: Release Date: August 28, 2009. Expiration date: January 08, 2011.

Application Deadline: January 25, May 25, September 25, annually.

Amount: Award Ceiling: \$500,000.

Length of Support: Up to 5 years.

Eligible Applicants: Public and State controlled institutions of higher education. See the full announcement for a complete list of eligible applicants.

Summary: The National Institute of Mental Health (NIMH) seeks research partnerships between community-based, clinical/services settings and research institutions to enhance the national capacity to conduct research that will inform mental health services research science, service delivery, program dissemination and implementation, and mental health policy. The IP-RISP seeks to foster an active, synergistic partnership between mental health researchers and community-based, clinical/services staff, clinicians and patients/clients to: (1) advance our knowledge about developing research infrastructure in community settings and the establishment of collaborative partnerships; (2) identify and incorporate those factors (e.g., organizational, sociocultural, interpersonal) in community settings that may be associated with quality care and optimal outcomes for patients and clients; and (3) plan, test, and implement services research interventions (treatment, rehabilitative, and preventive) in community settings.
