Agency/Department: Melinda Gray Ardia Environmental Foundation

Summary: The Foundation supports curricula that empower and encourage students to become involved in solving environmental and social problems as informed decision makers through the emphasis and application of basic ecological principles. The Foundation seeks to facilitate the development and implementation of holistic environmental curricula that incorporate basic ecological principles and field environmental activities within a primary or secondary school setting. Accordingly, the Foundation is interested in contributing to the development, implementation and/or field testing of curricula that are consistent with the mission of the Foundation.
