

**Grant Title:** THE BARNARD/FAIN FOUNDATION

**Area of Research:** To support innovative and effective programs in education.

**Deadlines:** *Summary:* May 15 (Submission of a single page grant summary for review); *Full Application:* June 30

**Amount:** Amounts ranging from \$5000-20,000.

**Length of Support:** Grants are awarded one time only; repeat grants may be considered in special cases.

**Eligible applicants:** Grants will not be considered for individuals, religious institutions, sports organizations, arts and performing arts organizations unless for a specific educational program, political organizations, organizations outside the United States, medical studies or treatments, endowments, or capital improvements.

**Foundation:** The Barnard/Fain Foundation

**Summary:** The Barnard/Fain Foundation each year awards grants to tax exempt organizations engaged in exploring new approaches and programs in education, particularly in the sciences. Grants are selected on the basis of originality, importance and impact, and are for specific programs or projects, not routine operating expenses. Preference is given to new and innovative programs, for programs in which the grant will be used as seed money, and for projects that have a significant impact on institutions or the community, and have a strong possibility of being replicated by other institutions and communities.
