

**Grant Title:** DOW GENERAL FUND

**Area of Research:** Education

**Application Deadline:** Ongoing.

**Amount:** Not listed.

**Length of Support:** Not listed.

**Eligible applicants:** National, state and local programs that benefit Dow communities; programs that promote systemic education reform in math and science; school districts and school boards, rather than individual schools.

**Agency/ Department :** Dow General Fund

**Summary:** Dow has established general priority areas for K-12 education funding, including: Math and Science, Teacher Training, and Parental Involvement. Our goal is to improve the quality of education for kindergarten through 12th grade in North America in math, science and technology. We identify and support national, state/provincial and local programs that return the most value to our communities and have the potential to provide a continuing source of qualified graduates to fill career opportunities at Dow.
