

Grant Title: THE EDUCATION PROGRAM

Area of Research: Promoting policies and practices that improve achievement and success for all students

Deadline: Rolling deadline. Submit a brief letter of inquiry.

Amount: Based on project

Length of Support: Based on project

Eligible applicants: Activities supported by grants and program-related investments must enhance an institution's programs or facilities.

Foundation: The Pew Charitable Trust

Summary: The goal is to create the research base and informed debate that foster the adoption and implementation of state and federal policies providing access to high-quality early education for all children, beginning at age three. Requests will be considered for grants educating the general public, key constituencies and policymakers about the need for universal access to high-quality early education for children, beginning at age 3.
