**Grant Title:** GRANTS PROGRAM FOR 7-12 SCIENCE & MATH EDUCATION

**Area of Research:** Projects designed by classroom teachers to improve instruction for students in grades K-12.

**Deadline:** August 1, 2007; February 1 and August 1 annually.

**Amount:** $5,000+ per award. For grants larger than $5,000 approval is determined by the Board of Directors. Multiple awards.

**Length of Support:** 1 year.

**Eligible Applicants:** If your organization is a non-profit or private school you must include a copy of your Internal Revenue Service letter declaring your 501 (c) (3) status. If you are a public school, then you must provide evidence that you are a public school as recognized by an appropriate local or state government agency. For example, a copy of the state tax exempt certificate could be used to satisfy the eligibility requirement.

**Agency/Department:** Toshiba America Foundation

**Summary:** This funding opportunity supports projects designed by classroom teachers to improve instruction for students in grades K-12. Four areas are critical within the application. **Planning:** Classroom teachers must be involved in the planning of projects and ready to initiate projects upon receipt of grant funds. **Organizing:** Project information should be organized according to the Proposal Format Outline. **Problem-Solving:** In the early stages of the project design and proposal preparation, questions may arise. Teachers are encouraged to contact the Foundation for assistance. **Writing:** Please write clearly and state directly what educational improvements you intend to make and how you intend to carry out those improvements.

**Detailed Information:**
