

Behavior Strategies Agenda

Goal: The goal of the Behavior Strategies Module is to help parents learn how to work with teachers to improve the behavior of the child at school and home.

Time: 60 minutes

Materials: Laptop, LCD projector, PowerPoint Presentation, Handouts

Learning Objectives:

This module provides direction and suggestions for methods to improve the behavior of the child at home and school. The participant will learn about positive reinforcement, appropriate communication, rule setting, and reward systems and how they can be effectively implemented in the classroom and how families can encourage the use of these systems at school and at home.
