

Homework Agenda

Goal: The goal of the Homework module is to provide school staff with strategies to build a connection between school and home so the learning environment is extended throughout the day and across settings.

Time: 60 minutes

Materials: Laptop, LCD projector, PowerPoint Presentation, Handouts

Learning Objectives:

The homework strategies module focuses on techniques that parents and teachers can put in place to improve homework completion and accuracy. Tips for parents, teachers and students are presented that are designed to improve communication around and improve results on homework.

Time: 60 minutes
