**CALL FOR PROPOSALS**
**6th Biennial CYFS Summit on Research in Early Childhood**
**Due: February 17, 2020**
**Submission site: cyfs.unl.edu/ecs/2020/call-for-presentations**

**Information required for all presenters:**

Name, Role, Title, Email address, Campus, Department, Brief biographical statement (2-3 sentences specifying research interests/focus)

**Session information required:**

- o Suggested Title of Presentation (10 words or less)
- o Abstract: Submit a brief description of the session's content, including the implications of featured research (75 words or less)
- o Description: Submit a description of the presentation, including a brief introduction to the topic, research questions, methods, findings, and significance/innovation of the work (300 words or less; key references may be included, but do not count towards word limit)
- o Application to Practice and/or Policy: Specify a minimum of two ways the results from this research relates to practice and/or policy
- o Policy/Practice Community Co-Presenters: Indicate whether any co-presenters are from the policy or practice communities
- o Target Ages: Indicate ages of children targeted by the research
- o Key Words: List two to three key words related to the presentation
- o Preferred Session Type: Indicate preferred session type

  - *Research Exchange Sessions:* In these sessions, individual researchers/teams will have 30 minutes to share their findings, following a pre-determined format. The session will conclude with a 15 minute facilitated discussion of applications to practice and policy.
  - *Early Childhood Ignite Sessions:* Each session will include three different, thematically linked research presentations. Each researcher will have 10 minutes to share their findings. The session will conclude with a 15 minute facilitated discussion.
  - *Poster Symposia:* In these interactive sessions, three different, thematically linked posters will be displayed and presenters will be available to share information on their findings. Each research team will provide a brief summary of their poster, attendees will circulate to converse with presenters and the session will conclude with a 15 minute facilitated discussion.
- o Funding Source: Indicate funding source, if grant/contract funded

***We recommend that responses are prepared in advance in a word processing program, and then copied into the on-line proposal submission form.*** The online submission form will not time out but if the page is refreshed or reloaded, the information that has been entered will be lost.

If you have questions on your submission, please email Sommer Fousek (sfousek2@unl.edu).
